Bbm

Way down in the hole

He's got the fire and the fury, at his command

Well you don't have to worry, if you hold on to jesus hand

We'll all be safe from satan

When the thunder rolls

Just gotta help me keep the devil

Way down in the hole

Instrumental break

All the angels sing about jesus' mighty sword

And they'll shield you with their wings, n' keep you close to the lord

Don't pay heed to temptation

For his hands are so cold

You gotta help me keep the devil

Way down in the hole
